

SECURITY TIPS

For your safety and convenience, take care to:

Avoid random persons distracting you by offering you half price scams or discounts on goods sold in-stores.

Be vigilant at all times when drawing cash at ATMS or large amounts at banks

Keep your cell phone on you, in a pocket, or in your hand.

Keep your wallet and bag on your person

Keep an eye on children around escalators. Check their clothing for untied shoe laces, hanging scarves. Escalators have an emergency stop button at the top and bottom; press this button immediately if something gets stuck.

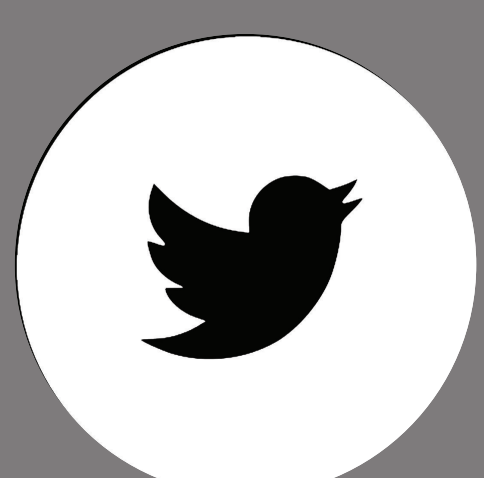

Immediately report any lost items or poor service or any complaints to the Customer Service Desk.
